Song Sung Blue by Neil Diamond

```
C
Song sung blue
         G
Everybody knows one
G7
Song sung blue
            C
Every garden grows one

C7                              F
Me and you, are subject to, the blues now and then
    G
But when you take the blues and make a song
            C
You sing them out again
         Dm          G7
Sing them out again

C
Song sung blue
              G
Weeping like a willow
G7
Song sung blue
            C
Sleeping on my pillow

C7                                   F
Funny thing, but you can sing it with a cry in your voice
G
And before you know it, start to feeling good
          C           G7
You simply got no choice

C7                              F
Me and you, are subject to, the blues now and then
